No Goodyear Eagles or snow tires permitted. **NO DOT RACING TIRES**

## IDENTIFICATION

Numbers must be at least 24" high and neatly lettered on both front doors and roof with contrasting color with car. Number on roof must be readable from the score tower. A 6" x 6" metal plate must be put in the upper passenger side windshield area with car number on it. The number is also to be placed on the back of the car, visible from the driver behind you. Car numbers NOT readable will be asked to change/ not scored.

## WINGS/SPOILERS

May be added. No more than 4"

## SAFETY RULES

You must have a fully charged fire extinguisher **SECURELY** mounted and accessible from both inside and outside of car. ASA or Snell approved helmets only. Fire suits are mandatory, no ripped or torn suits. Driver's door window net mandatory. Racing seats required, mounting will be checked. **NO AIRBAGS MUST BE DISCONNECTED AND REMOVED FROM VEHICLE. HEAD and NECK RESTRAINT MANDATORY FOR ANYONE 16 & UNDER. A padded neck brace IS MANDATORY MINIMUM protection for all divisions. we HIGHLY recommend the use of a head and neck restraint. All seat belts must be less than five (5) years old and have a legible date tag**

## REGISTRATION

You must register your car prior to the first night of racing, CHECK IN NIGHTLY AT THE REGISTRATION BOOTH INSIDE THE PITS, AS SOON AS YOU ENTER THE PITS.

## PLEASE READ GENERAL TRACK RULES

**NOTE: The preceding rules and regulations are designed to provide for the orderly conduct of racing events and to establish minimum acceptable standards and requirements for such events. By participating in these events, all participants are deemed to have complied with these rules and regulations. No expressed and/or implied warranty or safety assurance shall result from publication of, or compliance with, the preceding rules and regulations. They are intended as a guide and are in no way a guarantee to any participant, driver or official, against injury or death. Any of the preceding rules may be subject to revision if it is felt that the change would be in the best interest of safety or the Division. Track Officials have the right to make decisions and to rule accordingly, in the interest of safety, without recourse from drivers and/or owners. Track Officials will decide anything not covered in the preceding rules and regulations if and when it becomes necessary.**
